BELLEVILLE® OAK TEXTURED with Quattro™ glass

Our continuing program of product improvement makes specifications, design and product detail subject to change without notice. Also, due to limitations of the printing process, product images may not match exactly in color to actual product. Masonite reserves the right to make ongoing improvements and changes to existing designs.

Element™ glass 137-328

Specialty™ glass transforming light into brilliance

Decorative glass embraces natural light and transforms any entryway into a vision of beauty without compromise. So, add charm and sophistication to your home's entry, inside and out, with one of our superbly crafted glass designs offered in a variety of configurations. The choice is yours.

EXPLORE MASONITE'S DOOR COLLECTION TO ACCOMPANY YOUR SPECIALTY GLASS ON PAGES 48-49.

Today more than ever, Masonite is relentlessly focused on delivering product, service and design innovations that enhance beauty and functionality, creating greater value to our customers throughout the world.

Masonite restructures and emerges with new private ownership. 2009.

April 6, 2005, Kohberg Kravis Roberts & Co. acquires Masonite International Corporation. 2005.

Masonite acquires The Stanley Works residential entry door division. 2004.

Masonite's largest customer and one of the world's leading door manufacturers, Premdor, Inc., acquires Masonite Corporation from International Paper Company. 2001.

Masonite enters the door business as a component supplier to the door industry. 1978.

The John M. Coates Technical Center was built in 1960 as the Company recognized the importance of separating R&D from mill operations to focus on new product and process innovation. 1960.

Masonite's current parent company enters the door business. 1955.

Masonite goes public with common stock shares listed on the New York Stock Exchange. 1935.

The Company's name was changed to Masonite Corporation. 1928.

On September 1, 1925, the corporation was formed and named Mason Fibre Company. 1925.

Well known researcher and engineer – William H. Mason, changed building materials industry forever by inventing the way wood is used to form more effective building materials. 1924.

*A critical component of an ENERGY STAR qualified entryway.
▲Belleville Mahogany has premium hardwood stiles.
†All warranties are limited.

choosing is easy as 123

1 choose your style

Choose a Masonite entry door design to suit your taste and complement your home's architectural style. Select from our vast line of traditional, contemporary or modern designs – from 1 panel to 9 panel patterns with or without decorative glass elements. Get creative and design your own custom look by enhancing your door with beautiful matching glass, transoms and sidelites.

- BLT Belleville® Oak Textured
- BMT Belleville® Mahogany Textured
- BLS Belleville® Smooth
- OAK Oakcraft®
- SHD Sta-Tru® HD Steel
- MHD Masonite® HD Steel

2 choose your glass

Maximize the beauty and visual impact of your new door by coordinating Masonite glass elements from our collection of exquisite designs. Decorative glass embraces natural light and transforms any entryway into a vision of beauty without compromise. So, add charm and sophistication to your home's entry, inside and out, with one of our superbly crafted glass designs offered in a variety of configurations. The choice is yours.

3 choose your door

Selecting the right door can bring years of enjoyment and hassle-free maintenance that will leave a lasting impression. Masonite Textured Fiberglass doors display exceptional, deep wood-grain detail, adding richness and significance to your home's exterior. Our smooth fiberglass doors are perfectly engineered for durability and longevity, plus they're easy-to-paint for a custom look. Masonite Steel doors offer security and protection for your peace of mind.

• Sample doors shown. Complete offering of available doors and glass styles displayed throughout the catalog.

specialty glass selection & style

FEATURES

1 Quality Supported by Old Style Craftsmanship

✓ designs that enhance the appearance and value of your home without compromising security or privacy

2 Glass Style Selection

✓ welcoming new designs; Aria™ and Mondrian™ to our already large selection

3 Wide Range of Glass Designs

✓ select your favorite glass from a variety of shapes and sizes to create the perfect entryway

4 Caming Types

✓ caming choices available to match your style

5 Insulated Triple-Pane Glass inserts

✓ premium decorative glass features
1" insulated triple-pane glass inserts

6 Centurion® Frames

✓ Centurion frames won't discolor in UV exposure and remain stable in high-heat applications. For applications not requiring a Centurion frame, we offer our paintable, stainable frame in almond or terracotta on select frames

7 Seal-rite™ Corner Screws

✓ the majority of our frames feature Seal-rite corner screws, which provide added resistance to the elements and are easier to assemble

Masonite's Commitment

At Masonite, employees from all parts of the Company – sales, marketing, research and development, customer service and manufacturing – understand that people love their homes. In the past, homes were purchased to meet functional needs. Today, homes are purchased to meet specific lifestyles and to satisfy the need to create multiple living environments within a single home. To meet these lifestyle needs, Masonite is continually creating new and innovative products that will make every home more beautiful, more valuable and more enjoyable. With the ultimate goal of adding beauty and value to every home, Masonite's products are designed and constructed to exacting standards and specifications. All materials – wood, fiberglass, steel or composites – are engineered and carefully selected to ensure lasting durability and performance. For individuals who are building, renovating or redecorating, Masonite products are certain to beautify and accentuate a wide array of architectural home styles.
